- Gogebic County Streams

Racers: The 42K race involves a second "lap" of the Peltonen/Pit Point complex of ABR trails. From the Start Line follow the green arrows and the solid green trail (lying beneath red dots in the trails included in the lap skiing) through Pit Point/Peltonen areas then spin back toward the south through Bachelor's Loop, Sulo's Loop, and so on until finally returning back northward and then east to ski the Meadow Ridge trail and return near the Start area. Next follow the red arrows and the red dotted/solid green trail to cover the Peltonen Pass/Pit Point Complex again. Finally, ski northward toward Norrie Park/The Finnish Line via River Trail and Memory Lane following the red dotted trail. Sisu to you!
